ARTICLE V

GRIEVANCE PROCEDURES

A grievance shall mean that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this Agreement.

A. Purpose

The purpose of this procedure is to secure, at the lowest possible level, solutions to the problem which may from time to time arise affecting employees under this contract. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Procedure

1. The Grievance Form

The only form to be used to file a formal grievance shall be the grievance form available at the district office.

2. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

The failure of an employee or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal of that grievance. An Administrator's failure to give decision within the prescribed time limits shall permit the grievant to proceed to the next step.

3. Informal Discussion with Principal or Immediate Supervisor

An employee with a potential grievance must first discuss the problem with the principal or immediate supervisor, with the objective of resolving the matter at the lowest possible level. At all steps of a grievance after the informal discussion with the principal or immediate supervisor, the Association and Administration shall have the privilege to have representatives to attend any meeting required to resolve the grievance.

4. Level One-Principal (formal)

If, as a result of informal discussion with the principal or immediate supervisor a grievance still exists, the aggrieved person may invoke the formal grievance procedure. The grievance form, found in Appendix B of this agreement, must be signed by the Grievant and Association Negotiator. A copy of the form shall be delivered to the appropriate immediate supervisor or the principal. Such grievance must be filed within fourteen (14) calendar days from the time of the occurrence of the event. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this agreement which have been allegedly violated, misinterpreted, or misapplied, and shall state the remedy requested.

The principal or immediate supervisor shall indicate the disposition of the grievance in writing within fourteen (14) calendar days of receipt of the grievance. The principal or immediate supervisor shall furnish a copy thereof to the Association.

If the aggrieved party or the Association is not satisfied with the disposition of the grievance, or if no dispositions have been made within ten (10) calendar days, the grievance shall be transmitted to Level Two.

5. Level Two-Superintendent

The Superintendent or designee shall meet with the aggrieved person and the Association within fourteen (14) calendar days of receipt of a request for a meeting.

Within fourteen (14) calendar days of the meeting the Superintendent shall indicate the disposition of the grievance in writing and shall furnish a copy thereof to the Association.

6. Level Three-Arbitration

If the grievance is not resolved satisfactorily in Level Three, there shall be available a fourth level of impartial binding arbitration. The grievant and Association shall submit, in writing, a request to enter into arbitration within seven (7) calendar days of the third level reply from the Board. If a demand for arbitration is not filed within the seven (7) days of the third level reply, then the grievance will be deemed settled on the basis of the third level answer. Grievances which have been processed with the preceding steps of this procedure, and only such grievances, shall be submitted to arbitration as provided below:

The Public Employment Relations Board shall be requested to provide a list of seven (7) arbitrators. The moving party will strike the first name within three (3) calendar days. Each of the two parties shall alternately strike one name at a time from the list until one shall remain. The remaining name shall be arbitrator.

The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than thirty (30) calendar days from the date of the close of the hearings or, if oral arguments have been waived, then from the date the final statements and briefs on the issues are submitted. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder.

Each party shall bear its own cost and expense of the arbitrator proceedings excluding the fee of the arbitrator which shall be shared equally by the employer and the grievant or his or her representative (s).

C. Miscellaneous

1. Group grievance

If the Board and the Association mutually agree that an individual grievance does, in fact, affect a group and/or class of employees, the rights of the group may be protected by the Association. The Association shall submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Association may process such a grievance procedure.

2. Written Decisions

All decisions rendered at Level One through Four of the grievance procedure shall be in writing setting forth the decision and the reasons therefore, and shall be transmitted promptly to all parties in interest and to the Association's Chief Negotiator. Decision rendered at Level Four shall be in accordance with the procedure set forth in the Section of Arbitration.

3. Meetings and Hearings

All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore referred to in this Article. Unless agreed to by the Superintendent or designee, all grievances shall be processed outside the employee's work day.
